*Sicily calls Europe*

Teachers around Europe to become *European teachers*

10<sup>th</sup> October 2019

On 10<sup>th</sup> October 2019, from 10.00 to 15.00, the Provincial Centre for Adult Education of Termini Imerese-CPIA Palermo 2 and the consortium partners (Messina and Caltanissetta/Enna) are organizing a celebration day: KA104 and KA204 - Erasmus Day - Sicily calls Europe - Teachers around Europe to become European teachers.

The event will provide a useful occasion for sharing and comparing experiences, and planning effective strategies to communicate and disseminate the achieved results.

Any professionals (headmasters, teachers, administrative staff) variously involved in the mentioned Erasmus Projects will meet at Cpia Palermo 2. Videos and photos will narrate experiences gained abroad. Future activities will be planned and the participants in a round-table will focus on communication and dissemination strategies to be adopted.

Through a webinar, it will be possible to be in touch with the consortium partners - contemporarily gathered in their own seats - and, by using Skype, greetings will be exchanged among the European partners. Teachers and administrative staff of the partner school institutions as well as local authorities are kindly invited to participate in the event, in view of future partnerships.

Almond pastries and espresso will be offered at the end of the *Erasmus day*, to succeed in being European, while preserving the best Sicilian traditions.
